Play to learn, learn to play.

Play is a child's full-time job, and something to be taken seriously. The DUKTIG and MÅLA range provides ideas and inspirations for children to play and express themselves freely. So whether it's a mini-kitchen with realistic pots and pans, or colouring tools that spark creativity, your child can learn and develop life skills by simply, playing. For the full Children's IKEA range, head down to the IKEA store or visit **IKEA.my** today.
